April 10, 2009

Dear fellow pool member,

With the arrival of Spring, we can now begin the anticipation of warm summer days and nights around the pool. I think we would all agree that with the campouts, cookouts, and movie nights, the summer of 2008 was one of the most enjoyable and rewarding seasons ever at Clearview Pool.

As we begin preparations for 2009, we are happy to report again there will be "NO" increase in dues. Last year, the board built a permanent pavilion on the big pool side of the fence to give people more of an opportunity to have parties and get together. We also upgraded the lighting and sound system around the pool. Plans are to refurbish the guard tower with the addition of new windows, siding, and shingles as well as replacing the gutters on the bath house in 2009. We will be conducting work parties during the coming weeks and if you are interested in helping please contact a pool board member or check the pool/civic league web site at: www.clearviewpoolandcivicleague.com for days and times. Any and all help would be welcome.

Some changes have occurred with the management of the pool as well. Unfortunately, Nick DeSalle will not be returning as our pool manager. Candidates for pool manager are presently being interviewed by the pool board. Board member Larry Palochak will be overseeing the concession stand again this year. Anyone with a child over the age of 11 for the concession stand and over the age of 15, with certification to lifeguard and would like to work need to contact pool board member by May 1, 2009 to be considered for employment.

Due to problems with members not properly signing in themselves and guests, plans are to close one of the existing two gates either the main gate by the bath house or the back gate to the playground.

We are currently working with the civic league to plan more fun and entertaining events at the pool. The planning for the Memorial Day cookout had begun. So keep checking the website for the latest information.

We will be conducting our annual general membership meeting on Monday April 27, 2009 at the Pool Pavilion starting at 6:30 PM.

All the best in 2009 and we look forward to seeing you at the pool!

The Clearview Pool Board
