Dear fellow pool member,

With the arrival of Spring, we can now begin the anticipation of warm summer days and nights around the pool. I think we would all agree that with all the activities at the pool and the playground made the summer of 2010 a memorable one.

As we begin preparations for 2011, due to the increase in costs for utilities, chemicals, etc. we unfortunately find ourselves in the position where we have raise the family membership by \$25.00/yr. for an annual fee of \$250. Single memberships will also be increased by \$15 per year for an annual fee of \$140. The plans for 2011 are to refurbish the guard tower with the addition of new windows, siding, and shingles as well as replacing the gutters on the bath house. We are also planning to repair the leak in the baby pool piping along with repainting both the big pool and baby pool. We will be conducting work parties during the coming weeks to assure that the pool opens on time. If you are interested in helping please contact a pool board member or check the pool/civic league web site at: [www.clearviewpoolandcivicleague.com](http://www.clearviewpoolandcivicleague.com) for days and times. Any and all help would be welcome.

The management of the pool will remain the same for 2011. Mary Ann Miller will be the manager and Dave Drake the assistant manager. Board member Jon Barna will be overseeing the concession stand this year. Any pool member wishing to be a lifeguard should contact Mary Ann Miller (724) 312-2338.

Again this pool season, the main gate will be the only gate that members will be able to sign in themselves and guests. We apologize for any inconvenience this may cause but we feel this is needed to protect the integrity of the membership.

We are currently working with the civic league to plan more fun and entertaining events at the pool. The planning for the Memorial Day cookout has begun. So keep checking the website for the latest information.

We will be conducting our annual general membership meeting on Sunday May 15, 2011 at the Pool Pavilion starting at 6:30 PM at the Pool.

All the best in 2011 and we look forward to seeing you at the pool!
